

**“Quenching the Thirst of Mother Earth™”**

# AUTUMN ASSISTANCE™ 0-0-8

*Immediate Source of Potassium for Root Preservation and Flowering*

**Autumn Assistance™** is a water soluble, slow release, naturally derived liquid fertilizer. Formulated from Natural Kelp and Sulfate of Potash, **Autumn Assistance™** enhances plant health by providing potassium, micronutrients, sulfur, hormones and amino acids. Provides all of the important aspects of a late season inoculant, as well as, increasing heat, cold and drought tolerance throughout the growing season. **Autumn Assistance™** is a complete potassium source for all of your growing needs.

**Autumn Assistance™** is an excellent choice for not only turf winterization but essential for blooming and flowering. It easily mixes with wetting agents and does not clog sprayer nozzles. There are no sludge, manure or bio-solids used in the manufacturing of this product.

- Increases cold tolerance
- Suppresses disease
- Increases heat tolerance
- Increases nutrient storage
- Easy to apply
- Increases drought resistance

### Directions for Use:

**Shake Well Before Use.** Use approx. 4-6 ozs. per 1,000 sq. ft. every 4-6 weeks. For initial application and heavily stressed turf use 10-12 ounces per 1,000 sq. ft. Pre-mix at a rate of 1 oz. per 1 gallon of water for plants, foliar spray and general plant applications.

### Guaranteed Analysis:

Available Potash  $K_2SO_4$ .....8%  
 8% Sulfate of Potash. Derived from Natural Sea Kelp.
